OFFICE OF THE MUNICIPAL COMMISSION,
City Bangalore, 1st March 1898

From

The President, Municipal Commission,

Bangalore City.

To

The Secretary to the Government of Mysore,

General and Revenue Departments,

Bangalore.

SIR,

I have the honour to bring to the notice of Government that there are at present Seven Divisions in the City (one of which, No: III, is divided into two parts for conservancy purposes) for which there are ⊕ 8 conservancy overseers. Some of the Divisions are so large and the work so heavy that it is not possible to expect these men to do their work as well as they ought to do. The overseers in charge of the larger Divisions are found quite unequal to the task when there are extraordinary demands on their energy on special occasions, such as the outbreak of an Epidemic, or the arrival of some distinguished

distinguished guest of the State, or other public undertaking. To meet such emer-
-gencies we have no hands in reserve in the Staff and I do not believe in the efficiency of the hands secured temporarily for the occasion.

2.- Moreover vacancies among the existing overseers have at present to be filled up by men who are not only quite new and untrained in the work, but have also the disadvantage due to their want of know-
-ledge of the locality and of the people they have to deal with. It was therefore con-
-sidered desirable to have always two Probationary overseers on the Reserve Staff and employ them in Divisions where they are most needed until they are eventually appointed to fill a vacancy, Their place being taken by others. The matter was placed before the Board at the last meeting and the Commissioners resolved that two Pro-
-bationary Conservancy overseers on

Rupees 15 each should be entertained (Copy of Resolution herewith Submitted). I solicit early Sanction of Government for the appointment, the Charge being met from Savings under conservancy.

I have the honour to be

Sir

Your most obedient Servant.
